※ Letter from Arizona Governor Ducey on Rosemont Mine: On April 6<sup>th</sup>, EPA received a letter addressed to the Administrator from Governor Ducey regarding EPA comments on a 401 certification issued by Arizona. As this permit is addressed in the Environmental Impact Statement for the Rosemont Copper Mine, OFA coordinated with water staff in Region 9 and at headquarters to provide information for senior management and assist Region 9 as they draft a response to Governor Ducey's letter.
